

SIMON ORRELL DESIGNS

SIMON ORRELL DESIGNS

Simon Orrell Designs has been creating exquisite furniture since 2001 and has become the UK's leading specialist in shagreen and parchment, whether it's creating bespoke designs or renovating and recovering original 20th century furniture.

Simon also creates pieces in a variety of other mediums including straw marquetry, mica, eggshell veneer, gold and silver, mother of pearl, penshell and violet oyster shell.

Working with his team of highly skilled artisans, Simon is able to create designs that are utterly unique, whether these evoke the past or look forward to the future.
